BEAT MIX 2025 MEDIA KIT

“... An investment in knowledge, pays the best interest.”

-Benjamin Franklin

DAVID VIDIC

Chairperson of the DJ Alliance Australasia.

Thank you for taking time to read our Media Kit for Beat Mix 2025.

The DJ Alliance Australasia Inc. (DJAA) was founded in early 2010. With a clear passion for the industry, the team set out to help raise the standards of Mobile DJs and MCs throughout Australia and New Zealand.

In 2013 Beat Mix was created; a conference to encourage through training and providing information, the art of being a Disc Jockey and Master of Ceremonies.

Covering everything from marketing and business issues to music and performance ideas, each Conference is packed with practical advice, hints and tips, with something on offer for everyone from beginners to seasoned professionals to help DJs and MCs grow their business, improve performance, raise professionalism and build working relationships.

It is an annual event hosted by the DJAA for DJs & MCs, or anyone with interest in the Event/Party/Management industry.

Held mostly in August annually, DJs & MCs gather for the 2-day experience to connect, network, share knowledge and gain information which will assist them to achieve ongoing success.

Beat Mix currently attracts 60+ DJs from around Australia & New Zealand each year who are at various stages in their career path.

We would love to have you on board, help promote your brand, foster a mutually beneficial relationship and assist in growing Beat Mix attendance.

Audiences

Our audience is wide-ranging, attracting attendees from across Australia, predominantly QLD, but also from NSW, VIC, SA, WA & New Zealand.

These DJs & MCs, include single operators and those that employ staff, servicing & entertaining at various types of events.

Businesses

To promote your products & brand.

60+ DJ & MC's

To display your products in front of and demonstrate.

2 Days

of Networking Opportunities & Promotional Branding.

Why Beat Mix?

Beat Mix was created by the DJAA, a not-for-profit association for DJs & MCs across Australia and New Zealand in 2010.

From that Conference, attendees continued to network, sharing ideas and helping each other out. The success and benefits of that first Conference cemented that it needed to be an annual event where DJs & MCs had the opportunity to share more ideas and knowledge for mutual benefit.

With each annual Conference, attendance grew, attendees blossomed both personally and professionally in the competition & ego free environment provided by Beat Mix.

Exposure

The event runs for 2 days; 8:00am - 5:00pm with presentations, break out, panel and Q & A sessions, plus social opportunities in which your business can be branded or seen through promotional products, sponsorship or messages.
